# Dedicated -- In Memory

JOHN F. KENNEDY

1917 — 1963

*35th President of the United States*

“the torch has been passed to a new generation of Americans--

And so, my fellow Americans: ask not what your country can do for you--ask what you can do for your country.”

From Inaugural Address, 1961

And now an eternal flame guards John F. Kennedy's grave in Arlington; and it will glow forever within all our hearts.

"Now cast a long glance  
At what we have here;  
Pick out the many friends  
You've had this past year  
Just scan the pan  
Of everyone ---

You may have worked,  
But you had fun.  
And now the brain mill's  
Almost through  
Don't kid yourself--  
You'll miss it too."

# YOUTH FOR UNDERSTANDING

## Student Exchange Program

Another first at Marysville High in the 1963-1964 school year, our first foreign student.

The purpose of the Youth for Understanding, Teen-Age Exchange Program is to acquaint international teenage students with American family and community life; to give them first hand knowledge of the philosophy and operation of American schools and community organizations and the places they hold in a democracy.

Our own Barb Butler visited Germany for about two months during the summer of '63. She stayed with a German family, Mr. and Mrs. Karl Suhren, who lived about one mile from the North Sea. During her stay Barb was able to visit the German schools, and to enjoy many of the sights of the towns in Germany, Holland, and Ireland. At an all school assembly, Barbara showed slides and told of her wonderful experiences as an exchange visitor. Her comment on Germany, "A land of wonderful old customs; quaint old towns, new ideas, and wonderful people."

Brigitte Feldon, youngest of three children of Mr. and Mrs. Anton Feldon of Aachen, Germany, was enrolled at M.H.S. last fall. Her American parents are Mr. and Mrs. J. F. Thompson, Connecticut Avenue, Marysville. Mary Thompson, class of '64, Brigitte's American sister, has helped her a great deal in making the many adjustments required of an exchange student.

Brigitte's educational plans call for a teaching carrer in home economics. She is very fond of music and played violoncello in her school and city orchestra.

Her comment to the students of Marysville High, "My principle: life, the world lies at your feet. Take it. I took this year, thankful to all who contributed, open-minded. I found it wonderful."

The yearbook staff wishes Brigitte well, and certainly feels M.H.S. has been richer for her having been with us.

## Capture Their 5th Consecutive SCAL Title

Front Row: Manager-Denny Boerre, Bill Ainsworth, Fred Lomasney, Tom Blackney, Barry Lange, Ray Simpson, Benny Witukiewicz, Steve Davis, Bill Steele, Jerry Frendt, Al Whitsitt, Terry Gross. Second Row: Steve Small, Dan Griffith, Bob Minor, Frank Quinlan, Burm Misenar, Larry Heim, Billy Joe Jackson, Ernie Gracey, Norm Bellinger, Clayton Osborne, Chet Brown. Third

Row: Manager-Tom Meisner, Jay Weymouth, Bill Stroer, Bob Mertz, Gary Robinson, Skip Kapanka, Richard Lee, Dick Woolman, Mike Cruickshank, Chuck Dalton, Harry Brown. Last Row: Coaches-Chapman, Dame, Lee, Martin. Mr. Bartow-Principal, Mr. Hanks-Supt. of Schools, Mr. Lange-Asst. Supt. of Schools, Coaches - Pake, O'Neil, and Head Coach - Bob Sullivan.

The powerful Vikings, under the fine supervision of our superb leader, Coach Bob Sullivan, stormed their way through their St. Clair Area League opponents in another successful championship season. Having seized their 5th consecutive title, and 7th championship out of the last nine years, the Varsity team has won a total of 31 league contests, tied 2, and lost but only one in that span, for an astounding winning percentage of 97%. Marysville's continuing supremacy in this great pastime is guaranteed by a fine crop of upcoming football players; and we are confident that the championship tag which has made our school famous statewide will remain with us for a long time to come.

In looking back at the 1963-64 campaign, we find that the Vikings scored 200 points to their opponents 106; pushed over 31 TD's to 16 for the enemy; gained 2466 total yards

(1914 rushing, 552 passing) to 1805 (1223 rushing, 582 passing) for the other side; and rammed their way for 99 first downs as compared to 86 for the opponent.

Juniors who sparkled this year and show promise of contributing heavily to next year's team include: Dan Griffith, who ran for 831 yards on 110 carries for 7.6 yards per try, and who was also the team's leading scorer with 63 points on 10 TD's and PAT's; Norm Bellinger, who averaged 6.3 yards on 41 carries; and quarterback Skip Kapanka, who passed for 457 yards, 9 passes of which reached paydirt.

That is merely the offensive line of tomorrow's Vikings! Defensively, we shall have a tower of strength in Burm Misenar, Mike Cruickshank, and Ernie Gracey.

Congratulations VIKINGS for a job very well done!

# SENIOR LETTERMEN

The threesome pictured here played a large part in the Viking success story of 1963. Fred Lomasney, Barry Lange, and Richard Lee played primarily on defense, as is the lot of a defensive player, were not able to bask in the glory of the long run, or the sensational pass catch. The rasping voice of the P.A. announcer, however, attests to their worth, "stopped by Lee"; "brought down by Lee"; "at the bottom of the pile is Richard Lee"; "intercepted by Lange"; "tackled by Lange"; "broken up by Lomasney".

This group of Viking senior lettermen consists of two ends, a lineman, and a scat back. Steve Davis, Terry Gross, Tom Blackney, and Billy Joe Jackson added the very necessary items of spirit and loyalty to the 1963 Viking squad. Steve, filling in for the injured Terry Gross, did an outstanding job and drew many kind words from Coach Tom Blackney, one of the most loyal and dependable men on the squad, played both ways and did a very creditable job all season. The Yale game brings back memories of Billy Joe's finest hour. Bursting through the Bulldog line, Billy turned it on and showed his heels to the entire Yale squad, sprinting in for a spectacular TD.

This trio, Bennie Witukiewicz, Bill Steele, and Harry Brown, leave football shoes that will be difficult to fill when the Viking footballs again fill the autumn air. The fine pass catches of both Ben and Bill will long remain in the memories of loyal Viking fans. Harry, suffering from a leg injury, came off the bench in the Algonac game to pull the Vikings out of a deep hole. Our courageous fullback, by his sensational "clutch" run, forever niched his place among the Viking football greats.

This is not the "fearsome foursome" but it is a quartet of fine football players. Ray Simpson, Jerry Frendt, Al Whitsitt, and Bill Ainsworth, all hard working linemen, each played an important role in giving our school the championship. Al was voted the outstanding offensive lineman, and it was his broad shoulders that cleared the way for our swift backs. Jerry is probably best remembered for his many fine tackles. Bill's key stops in the tough homecoming game will long be remembered by M.H.S. rooters. Ray's defensive ability was needed on several occasions to hold off the charging enemy.

| Cros-Lex . . . . .   | 0 |

In the final game of the season, Marysville grabbed the SCAL title for the 5th year in a row by shading a powerful and upset-minded Cros-Lex team, 6-0. In a game which definitely emphasized defense, the Vikings honored their Dads in pre-game ceremonies and then battled the Pioneers through three scoreless quarters. In the 4th quarter, however, quarterback Skip Kapanka scored the game's only touchdown on a one yard run. The 62 yard drive was highlighted by the Viking's only pass of the evening, a 10 yarder to Bill Steele. Richard Lee and Burm Misenar, defensive tackles, each had 11 tackles in the contest.

With 32 seconds left in the game, South Lake turned a 13-13 tie into a 19-13 victory. Capitalizing early on a costly Viking fumble, the Cavaliers pushed across a TD in the first quarter. Harry Brown later smacked over from the 4 and Dan Griffith added the extra point to send the Vikings to the locker room at halftime with a 7-6 lead. South Lake racked up 13 points in the final stanza to put the game on ice, but Griffith kept Marysville's hopes alive by racing 11 yards for the Viking's 13th point. It was the first defeat for Marysville in an opening game since 1955.

| Yale . . . . .       | 20 |

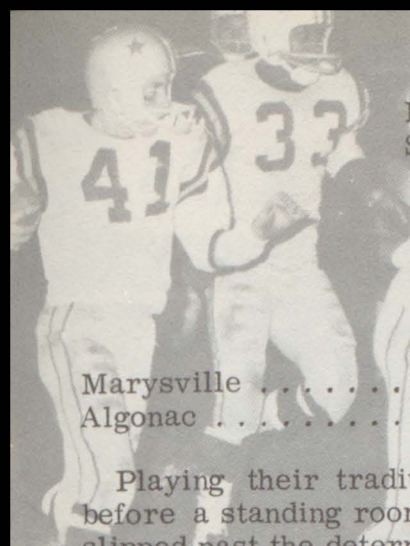

Marysville High clinched at least a tie for their 5th straight SCAL title by rolling over the hapless Yale Bulldogs 50-20. Dan Griffith, the Viking's hard running halfback, scored two touchdowns on runs of 7 and 24 yards, and was joined in the long TD parade by Billy Joe Jackson (32 yard run), Bill Stroer (6 yard run), and Gary Robinson (40 yard run). When the Bulldog's defense wasn't being torn apart on the ground, it was being constantly riddled by an awesome aerial attack. Quarterback Kapanka fired three touchdown passes, two to Bill Steele of 29 and 38 yards and one to end Witukiewicz for 35 yards. Bennie also kicked two PAT's during the evening which had been designated as "Mom's Night."

In a non-conference game September 27, the Vikings trounced the Richmond Blue Devils 46-20. Led by the long bomb passing heroics of quarterback Skip Kapanka, the Vikings rolled up an impressive 46-7 score in 3 quarters. Kapanka passed 40 yards to Harry Brown, 25 to Bill Steele, and 55 to Ben Witukiewicz, and Dan Griffith scored 3 more times on runs of 45, 40, and 35 yards. Brown later added the seventh TD on a one yard plunge as Witukiewicz kicked his fourth successful conversion.

Playing their traditional Homecoming game before a standing room only crowd, the Vikings slipped past the determined Muskrats of Algonac 12-7. After a see-saw battle in the first period, Marysville drew first blood in the second quarter as fullback Gary Robinson completed a 53 yard drive by plunging over from the two yard line. Bill Ainsworth then picked off a Muskrat pass with only seconds left in the first half. He returned it to the Muskrat 32 and quarterback Skip Kapanka promptly threw a 32 yard touchdown pass into the out-stretched hands of Witukiewicz to give the Vikings their 12 points. Algonac tallied a TD in the third quarter and was seemingly going to add the winning touchdown with only seconds to go in the game. However, the Marysville defense made a terrific stand on their 9 yard line and stopped the enemy on four straight plays to preserve the win.

Marysville ..... 7  
 Marine City ..... 0

The front running Vikings had a scare thrown their way by a tough Marine City High, but managed to pull out a hard-earned 7-0 victory to stay at the top of the league. The only score of the game came in the 2nd quarter on a long 71 yard drive. Working the ball down to the Mariner's goal-line, the Vikings had their efforts rewarded when Griffith plunged over center for paydirt and Bellinger ran the conversion. Defenseman Al Whitsitt electrified everyone in the last two seconds of play by intercepting a pass and running 60 yards for a touchdown, but only to have it nullified by a penalty.

By walloping St. Clair 39-14, the Vikings gained sweet revenge over the team which cost them the state championship in 1962 (a 7-7 upset tie). The first half belonged to Marysville. Harry Brown went off left tackle for the first tally of the game on a six yard run and then added the PAT. Sweeping right end for 65 yards, Griffith added another TD to make the score 14-0. Brown scored a second time on a one yard plunge to give the Vikings a comfortable 20-0 edge just as the half ended. In the last quarter, end Ben Witukiewicz combined with quarterback Skip Kapanka and halfback Norm Bellinger for two touchdown passes of 21 and 22 yards; Brown later added his third TD and Witukiewicz, two conversions. St. Clair was shutout until the final quarter because of 140 yards in damaging penalties and the stubborn Viking defense.

Playing the arch-rival Hornets before more than 3500 screaming fans, the Vikings almost ruined their chances of winning the SCAL title by committing numerous mistakes. However, the spirit of the team never wavered, and when the dust and sweat of battle had cleared, the final score read: Marysville 27, Port Huron St. Stephens 26. After spotting the Hornets a 20-0 lead in the first quarter, the Vikings drove 66 yards in 4 plays for a touchdown in the 2nd period, with Harry Brown running the last 9 yards and Ben Witukiewicz kicking the extra point. Before the half ended, the Vikings had a chance to score from the Hornet's two yard line, but failed on 4 successive plays. Griffith then ran for 2 TD's of 7 and 49 yards, and added the PAT that tied the score at 20-20 early in the 4th quarter. The Vikings recovered a Hornet fumble, only to lose the pigskin on the next play and see the Hornets buzz unmolested 64 yards for a TD. Their pride stung, the Vikings took the kickoff and stormed 58 yards in 5 plays for a score, the final play being a 16 yard pass to Witukiewicz. After Griffith had run the extra point to win the wild contest, the Hornets fought their way down to the Marysville 13. However, they fumbled the ball, and Viking Defenseman Steve Davis recovered it to insure the hard-earned victory.

Coaches Frank Martin and Gary Lee, who took over the reins of the JV's this year, had a very successful gridiron season. In guiding their young Vikings to a near-perfect slate of 5 wins, they suffered but one loss, that being to a fired-up PH Catholic squad, 26 to 12.

Gary Smarch, who scored 16 TD's, promises to bolster the offense of next year's Varsity team. Other boys who played exceptionally well in their high school football debut include: Jay Weymouth, a very talented quarterback who completed 11 TD passes; Bill Teeple, a fleet wingback who shook loose for many long gains; and Bill Schnuphase and Art Butler, who were towers of strength on defense.

Congratulations fellows for a fine season!

## SCAL Runner-Up

Sitting: Chet Brown, Bob Minor, Coach Gary Lee, Bill Steele, Norm Bellinger. Standing: Burm Misenar, Skip Kapanka, Frank Quinlan, Ben Witukiewicz, George Shain, Terry Gross, Mike McClellan.

Coach Lee's mighty Vikings, finishing the year up with a very respectable 12-8 won-lost record, placed second in the SCAL. They trailed the St. Stephens Hornets (20-1) by three full games, as the powerful Class D school from Port Huron, which was ranked number one in the state all year long, plowed through 12 league opponents.

The Vikings, who gained momentum as the season rolled on, were led in the last half of the season by big Ben Witukiewicz, who scored at a 21.9 points per game clip. The entire season saw the Marysville club winning many close ones. However, the heart-stopper of all time probably came in the District Finals of tournament play at Port Huron. "There are now 13 seconds left, the Vikings trailing the Cros-Lex

Pioneers by 1 point, 52-51. Steele brings the ball inbounds; they have a press on, the Vikings just can not get the ball over the mid-court stripe . . . 8-7-6 seconds to go. We're seeing an upset in the making—Steele lobs one down to Witukiewicz at the foul line . . . 4-3-2 seconds . . . . he shoots—no good!! The game is over! The Pioneers have—wait a minute—now wait a minute—a foul on Cros-Lex!!!" Then with the clock showing 0:00, Bennie stepped to the foul line with a one and one situation. He had only to miss the first shot and the year was over. As 2500 screaming fans watched, he bounced the first charity toss off the front of the rim, it hit the backboard, and fell in. 52-52. Then, swish. Delirium and a fourth straight District Crown.

Tom Quinlan fires in 20 as we bomb Marine City.

Kim French tallies 14 as P.H. Catholic again trips us up.

Goodin and Weymouth move up to Varsity for State Tournament.

Future opposition takes note as Ron Goodin drills in 10 big points in District Championship game.

# Thinclads Stride For 9th Straight SCAL Title

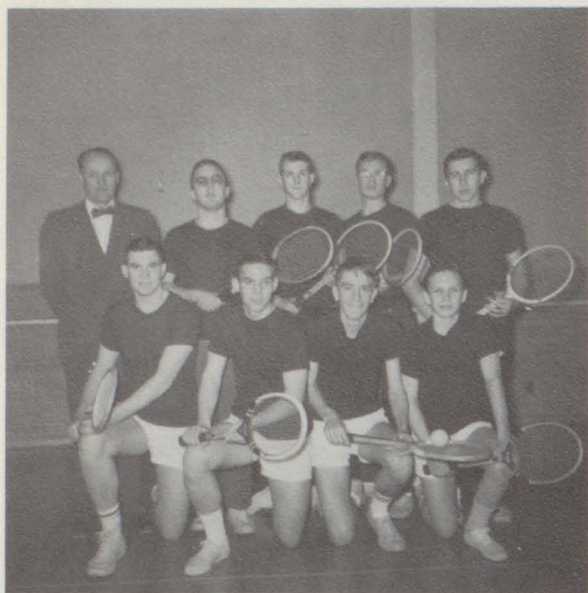

The Viking track team, under the guiding hand of Coach Bob Sullivan, will be seeking an unprecedented 9th consecutive SCAL crown. The squad numbering between 60 and 70 strong (including freshmen) figures to be very well balanced but perhaps lacking the individual performers of previous years.

Some of the boys who should chalk-up points, are: Dan Griffith, Billy Jackson, Harry Brown, Gary Robinson, and Gary Smarch in the dashes; George Shain, Bennie Witukiewicz in the shot; newcomer Barry Lange in the hurdles; Chuck Reynolds in the high jump; Fred Lomasney in the 440; Larry Farrer in the 880; and Paul Marsden in the mile.

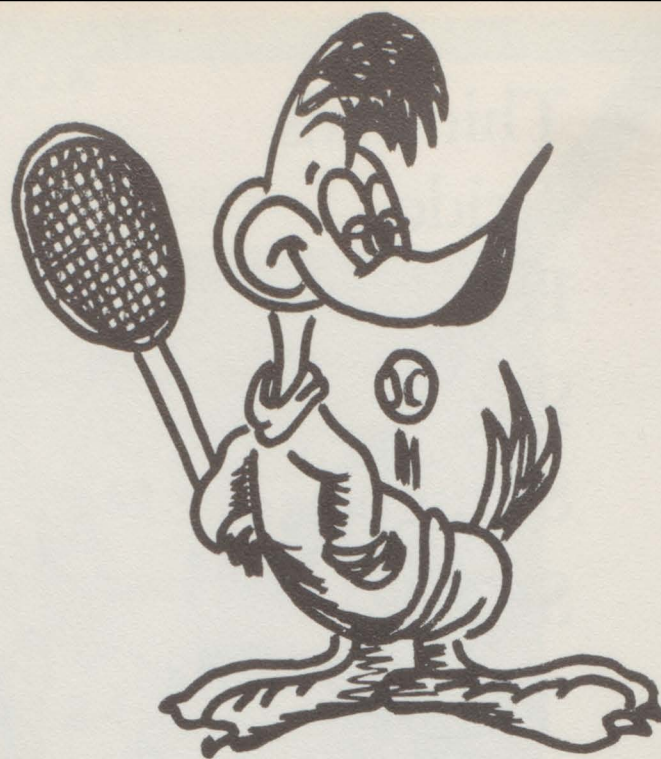

# Champion Net Squad

## 1st In M. H. S. History

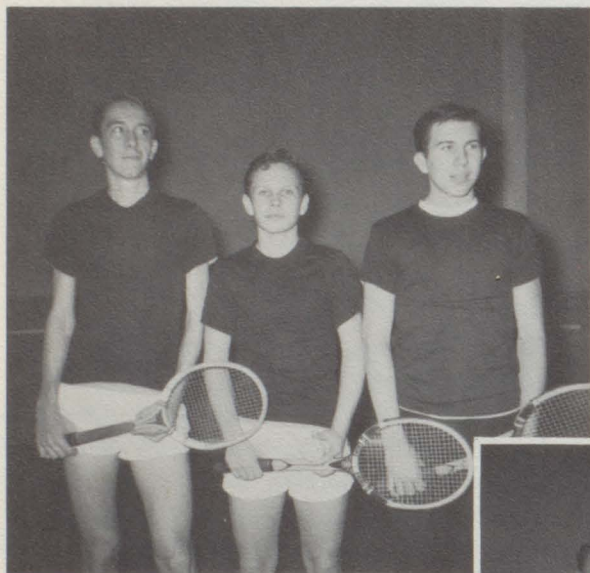

Team: Art Butler, John Decator, Larry Casey, Sandy Simon. 2nd Row: Marshall Grimm, Mike McLellan, Bill Saunders, Jim Underwood. Coach: Jorm Simpson. Not Pictured, John Simpson, Brian Munson, Jim Schultz.

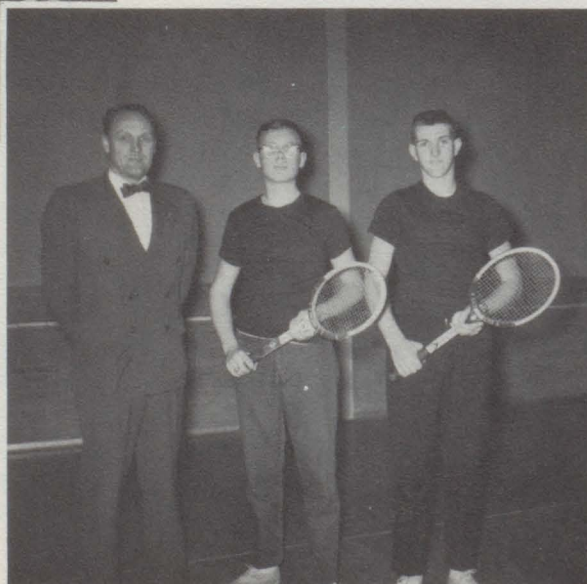

Our 1963 Tennis team, coached by Jorm Simpson, made history by winning the S.C.A.L. net title. After a slow start, we dropped our first four dual meets, the team came on strong to win their last eight encounters. Sandy Simon and Larry Chasey led the onslaught by capturing the league doubles crown. With Jim Underwood advancing to the semi-finals in singles and Sandy and Larry to the runner-up spot in doubles, we were able to place second in the regionals.

Coach Simpson attributes the success of the squad to exceptional team balance, desire, effort, team spirit and just plain hard work. The prospects for 1964 look very good as all of last years point getters are back again to try and make history repeat itself.

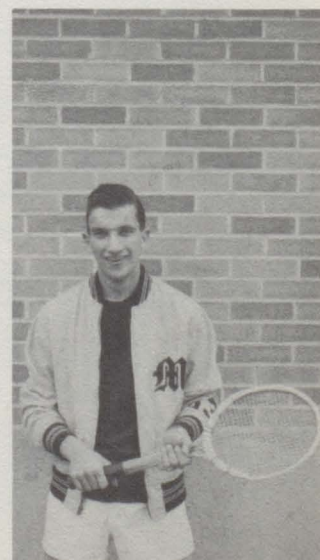

The Viking staff extends hearty congratulations and best wishes to the tennis squad.

Team stars: Larry Chasey, Second position: Sandy Simon, First position: Jim Underwood, Third position.

Coach, and strong doubles team.

### Drive Hard For Successful Season

From these hopefuls-perhaps a star.

Counting heavily on these seasoned performers.

Dave Orris, Carl Minor, Jack Plunkitt, Terry Clark, Steve Davis, Bob Minor, Bob Jendrusina, Pete Chalifoux, Chuck Lambert, Al Perry, Harold Perry.

The Viking Golf Squad, under the direction of Coach Bill Philp, hope for big things in "64". Finishing 2nd in the league and in the top ten in the regional gave the 1963 team the best golf record in M.H.S. history.

The No. 1 man last year was Al Perry. Al's best effort was a 36 against St. Clair. Carl Minor, Harold Perry, Terry Clark, and Jack Plunkitt shot good golf to give the team real balance.

Newcomers, Bob Minor and Steve Davis, may provide that needed spark to achieve our 1st league title.

Coach and his ACE.

Work, work, work is our cry! The freedom of fun and laughter is not known to us who slave under the mighty chief Collard. From October until March our lives are very grim. Even during our sleep we are haunted by what life might be like if the deadline is not met.

We help Askar-Shain with group pictures, but that is not all the yearbook. We arrange individual and group pictures on the pages, that is still not enough. We write up articles on many of the groups, but our yearbook is not yet complete. We proofread and make last minute corrections, and then, with crossed fingers and hopeful hearts, our VIKING is finished!

We wait for the arrival of the yearbook to see if the VIKING is a success in the hearts of our fellow classmates. It seems that we are infallible since the compliments we receive out number the criticisms by far.

One thing we must confess--if we cannot do it, we leave it to the Butler!

All in all, this has been a most rewarding year for the band and for everyone who has heard them.

### Theme "Memories of You"

Under the capable direction of Mr. Frank Yon, our mathematics teacher, the newly organized Marysville High School Dance Orchestra has brought a new dimension of entertainment and pleasure to the school and community. The Dance Band, as most of the students call it, has given quite an array of performances for its first year.

After making its debut at the Senior Play, the twelve piece Dance Orchestra participated in several other engagements. These included the Christmas assembly, a Lions' Club dinner, and a school dance.

The students and Mr. Yon, who incidentally plays a trombone, hope to make the Orchestra an enduring feature of our school.

The Varsity Club, under the supervision of Coach Bob Sullivan, is an elite organization for the athletes of Marysville High who have lettered in a Varsity sport. Gaining admittance to its membership is looked upon with eagerness by those who are eligible to join. It is this club and only this club that authorizes the much desired privilege of owning and sporting a Varsity Jacket. The Initiation of new members, which takes place either in the fall or spring, is a very pleasant affair, with unusual entertainment and rare, delicious, delicate refreshments providing an air of gaiety. As you might well expect, the quiet of the still evening is frequently shattered with the happy yells and shouts of the boys who are being inducted. Yes, they really are enjoying themselves -- and if by some miracle they're still alive at the end of the night--well, congratulations! fellow, because you're now one of the gang!

The girls take part in such activities as football, field hockey, basketball, swimming, ping pong, track and tennis. This year a point system has been established. Points can be earned through attendance, participation, and victory in various games.

Fifteen hundred points are needed for a pin and seventeen hundred points for a varsity letter, both awards bear the G.A.A. insignia. We often play G.A.A. groups from other schools. The Marysville High G.A.A. is providing the girls with good clean fun and is teaching them the ideals of good sportsmanship.

# THE CURIOUS SAVAGE

Fore score and seven years ago-----

The Cloisters--Climate best by govt. test.

Ohhhhh!

Wearing out the carpet evenly.

The crew-HARD at work?

Sweet  
But  
SIMPLE!

On November 21, 1964, the senior class of Marysville High School presented "The Curious Savage," a two-act comedy by John Patrick. The play was about a woman, who is put into a home for somewhat mental patients, by her children. How Mrs. Savage made fools of her children and how she finally gets out of the home are just a couple funny parts in the play. The play was directed by Miss TenPas, and Joan Czostkowski, student director.

Resting after a job well done.

Not guilty-Starring Ethel P. Savage.

Let go of him, you stupid ox!

"The Boarding House Reach" was presented by the Junior Class on May 1, 1964. A three-act comedy, "The Boarding House Reach" produced more than fun and frolic when a thirteen-year old boy decided to start a boarding house while his parents were away. Though all he planned was to raise money for a bicycle, he got more than he bargained for when two of the boarders turned out to be bank robbers.

Now you are leaving the sheltered existence of the most wonderful years of your life. You are now entering into an unknown life with new problems and new friends. May you put to advantage all of those things that you have obtained during your High School stay. May you be a beacon to all of the people who are to follow in your footsteps.
